Member Highlights & Activities

Meet the Team - BOOST Steering Committee

BOOST Network has strategically formed a new team with members from different organizations to help enhance our strategic leadership, provide guidance, support, and resources for all of our members, and continue to fulfill the mission of BOOST Network.

In 2024, we welcome:

- Miriam Marquez - [Clint Independent School District](#)
- Sarah Renteria - [Friends of the Organ Mountains-Desert Peaks](#)

- Graciela Coronel - [Desarrollo Juvenil Del Norte AC](#)

Each month we will introduce a new steering committee member for you to meet.

Miriam Marquez - Clint Independent School District

Originally from Juarez, Mexico, I relocated to El Paso at a young age, where I embraced my bilingual upbringing and cultural heritage. I'm proud to have graduated from the University of Phoenix with a BA in Business Management, specializing in Human Resources. As a dedicated mother, I balance my professional career with nurturing my family. Currently, I serve as a Specialist at [Clint Independent School District](#), leveraging over 15 years of experience in the field of education.

My journey in education has been fulfilling, and I am passionate about fostering growth and learning opportunities for students and educators alike. One of my passions lies in the art of networking, which I find fascinating and crucial for personal and professional development. I am an active member of the Texas Council of Women School Executives, where I contribute to and learn from a network of empowered leaders in education.
